

DTI announces launch of new website and logo

DTI
7025 Albert Pick Road Ste 402
Greensboro, NC 27409

Greensboro, NC April 12, 2010- Over the past 26 years DTI has made significant strides to provide our clients with best-of-breed technology, unparalleled professional and support services, and a personal partnership. Fueled by recent company growth, DTI has expanded our solutions and services offering to address process improvement needs on a nationwide scope.

To accurately reflect our new business strategy, it was important to DTI that we update our brand image. As a result, we developed a new logo and updated our website (www.dtiibs.com). Our new logo provides a more modern updated look, as we enter our 26th year in business. Our new website provides a unique look into our end-to-end Enterprise Content Management Solutions. Over the years our personalized approach, technical expertise, and comprehensive services have helped our clients maximize the benefits from the latest technology solutions. Our exclusive **Customer Business Focus™** continues to provide our clients with positive impacts on their bottom line, streamlined operations, reduced costs, and improved efficiencies.

As a valued customer, we are excited to share this announcement with you and welcome you to visit our website (www.dtiibs.com). We encourage you to share your comments and provide feedback. Also, we want to know how we can continue to build upon your existing DTI solution to further maximize greater efficiency and productivity within your organization. We look forward to hearing from you and thank you for your continued support!
